

GLEN CENTER INSURANCE ASSOCIATES, INC.
SPECIALIZING IN DENTAL PRACTICE INSURANCE

You can earn..
Eight C.E. credits and a three year 7.5% premium discount
by taking our self study Risk Management Course.

The Dental Professional Liability Risk Management Home Study Course has been developed to provide you with another way to access the valuable practice information that our Risk Management courses offer. We realize the time constraints placed on your practice today and are providing this home study course for those insured that do not or cannot afford the time off to attend one of the seminars.

The course contains a workbook, video, video guide, test booklet and a test. It is designed for dentists and staff who wish to enhance patient care and reduce potential liability. It covers a wide range of topics, including clinical care, the dentist-patient relationship, vicarious liability, informed consent and refusal, effective record keeping, patient termination, and much more. Dentists who complete the course by scoring 75% or greater on the multiple choice examination will be awarded 7.5% credit on the malpractice portion of the policy each year for three years. You will also be awarded eight hours of continuing education credit from CNA HealthPro.

If you are interested in the Home Study Course, please complete the detachable portion below and return with your payment. We have enclosed a self-addressed envelope for your convenience.
